YOUR DONATIONS SUPPORT

The Tiny Lives Foundation

A non-profit organization dedicated to supporting children and families struggling with the ravages of HIV/AIDS in rural Lesotho. TL provides essential care to severely malnourished, critically ill or orphaned babies who would otherwise not survive. TL's 2,500 annual outreach visits provide health services, nutritional supplements, medication and social support to children, pregnant women and caregivers in their villages.

Chelan's ties to TL include Paula Fitzpatrick and Dr. Amy Ellingson. Dr. Ellingson is a governing board member & medical director who has worked in Lesotho and Paula has traveled to TL as a volunteer. The Chelan to Africa Benefit Concert typically provides 10% of the annual TL budget, filling a critical need and saving children's lives.
